What is the "LOS" anyway?

The "Last One Standing" is a fun family event that allows drivers of stock and modified 4x4 vehicles to compete against the clock on several challenging off-road courses. Each course is judged for time and then all runs are added together. A winner in each class with the lowest time will be awarded. The competition is open to the first 20 registered, but everyone can watch and participate in the raffle. Space is limited so sign up now!

The Competitors:

- **Sportsman Class:** A stock or modified vehicle which still uses the standard body, stock or somewhat modified suspension, tires under 37" diameter.
- **Unlimited Class:** A vehicle which may be based on a stock body or custom tube chassis, stock or highly modified suspension, and tires exceeding 37" diameter.
- **Entry Fee:** \$30 per vehicle (Does not include SVRA fee)
All vehicles will be reviewed and assigned to a class by the LOS Registration team member.

The Raffle:
